County, Municipal and School Meetings Held

Vulcan County Councillors held their regular Municipal, School and County meetings last week and transacted considerable routine business.

At the School Committee Meeting the matter of a Janitor for the new Vulcan High School, which will be opened within the next two or three months, was considered and Harry Laroche, the janitor of the present Vulcan Public School, was transferred to the new building as janitor. This was done at Mr. Laroche's request, and the School Committee authorized the placing of an advertisement in the Advocate to consider applications for Mr. Laroche's job as janitor of the Vulcan Public School which will commence about January 1st.

The Committee confirmed the ordering of new pupil desks and furniture for the Vulcan High School and also placed an order for the stage curtain for the Auditorium.

A delegation from the Alston district who live on the van route served by Mr. Keenan of Champion, interviewed the School Committee in respect to a van problem in their area. After discussing the matter for some time, the Committee Members decided to appoint a committee of Donald Smith, Ivan Haga, Councillor for Division Three, and Mr. Schrag, to inspect the van route and make a report for the next meeting.

Information was given to the School Committee that Kenneth Monner had been awarded the Governor General's Medal for Grade IX in the Vulcan County and Macleod School Division. Committee members expressed their pleasure at one of the Milo students winning this award and authorized a special award in the sum of \$25.00 to be paid to Kenneth, with the best wishes of the County of Vulcan School Committee.

It was decided to insulate one of the teachers at Brant and the Committee also reviewed the amount of teacherage rents being charged and adopted a new schedule.

Committee members spent some time discussing van routes and the various problems in respect to the best possible van service, and it was decided that each Committee Member would personally drive over the van routes in his area with a view to making any corrections necessary to improve the service.

MUNICIPAL MEETING

The Municipal Committee of the County of Vulcan met on Nov. 12 and discussed various matters dealing with the Public Works Program. Letters from Edward Auld and William Auld of Brant, asking for damages on account of their lands being used as detours, were referred to the County Council for final decision.

A letter from Kenneth Elves, asking for damages for the removal of a certain amount of earth from the south-west corner of the SW 1/4 25-17-21-1 was considered. Mr. Elves asked damages of \$5.00 per acre on his farm which would amount to \$1,600.00, stating as his reason that the most desirable building site on his land had been destroyed. The Committee discussed this matter and instructed the Secretary-Treasurer to write to Mr. Elves advising that the Municipal Committee is prepared to

LETTER TO THE EDITOR

Dear Sir:

Just a few words to let the Lionettes know that the program they put on for the Senior Citizens was very much appreciated and enjoyed.

Why We Old Folks Like the Lionettes

They are so kind and thoughtful too.

To help us up and down the stairs; And wait on us the way they do And hand us flowers so nice to wear.

The supper—oh it was so good, And everything so well-cooked, too; To fill us up on such good food When we're so tired of just plain stew.

If you ever want to put a banquet on,

Without too much fuss and frets, Well, I will tell you what to do, that's easy.

Just call on the Vulcan Club of Lionettes.

They will do it up just right for you.

—Mrs. Alex Smith.

Wedding Unites District Couple

A quiet wedding of interest in the Milo-Herronton district was solemnized at Central United Church, Calgary, Saturday, Nov. 21 at 6 p.m. when Mary Jane Vergen, second daughter of Mr. and Mrs. George Vergen of Herronton became the bride of LaVern Nesbitt Crabb, only son of Mr. and Mrs. Dave Crabb, Milo. Rev. G. Switzer officiated.

Given in marriage by her father, the bride was attired in a pearl grey-gabardine suit with which she wore red accessories, and a corsage of red Sweetheart roses.

Miss Doreen Marks of Armada was bridesmaid and she chose a navy blue suit and light blue accessories. Her corsage was also of red roses.

The groom was attended by Bob Healy, while guests were ushered to the pews by Keith Healy and Percy Vergen.

Following the ceremony a reception for 46 relatives and friends was held at the Sky Room. Receiving with the bride couple were the mothers of each. Mrs. Vergen wore a mauve afternoon dress, with matching accessories, and a corsage of roses. The mother of the groom was attired in a silver blue afternoon dress, with which she wore a dusty rose hat and a corsage of pink roses.

The toast to the bride was proposed by Bob Healy and responded to by the groom. Mr. Peter Bowle, grandfather of the groom offered a toast to the newly married couple, and Mr. Howard Turran addressed the bride and groom and expressed best wishes for their future happiness.

Later dancing was enjoyed and wedding pictures taken.

Mr. and Mrs. LaVern Crabb will make their home in Calgary.

Guests were present from Vulcan, Armada, Blackie, Herronton and Milo.

charge.

\$25 was donated toward gowns for the choir and \$10 was sent to missions.

The regular business meeting was followed by the election of officers for 1954. The new officers are as follows: President, Mrs. Howard Spaeth; Secretary-Treasurer, Mrs. John Haydamack; Social Secretary, Mrs. Emil Schmidt.

The devotional thought was brought by Miss Ruth Hanna. The social part of the evening was conducted by Mrs. Tom Walker.

A most delicious lunch was served by the hostess assisted by Mrs. Tom Bogner.

The December meeting will be held on the 17th at the home of Mrs. James Chapman. Members are reminded to bring their Xmas gifts for their Pollyannas.

Shower Honors Herronton Girl

Prior to her wedding in Calgary on Saturday, Miss Mary Jane Vergen was honored at a miscellaneous bridal shower, held at the home of Mrs. Lloyd Armstrong of the Milo district.

An enjoyable afternoon of contests and visiting was spent, and little Sharon Crabb, sister of the bride-groom elect brought in a mock wedding cake, piled high with gaily wrapped gifts. Assisting the guest of honor in opening her colorful packages was her mother, Mrs. George Vergen and the mother of groom, Mrs. Dave Crabb.

A dainty lunch was served by the hostess assisted by Mrs. Raymond Fernley, Mrs. Ernie Bowie and Mrs. Bruce Crabb.

Candlelight Circle Elects Officers

Mrs. John Haydamack was hostess for the November meeting of the Candlelight Circle of the Church of Christ. Twenty-five members were in attendance.

Roll call was answered with a Christmas recipe and a scripture verse.

Material which had been ordered was distributed to be made into aprons, tea towels, table cloths etc., for a bazaar.

After a discussion it was decided to plan a fellowship supper for the 15th of January with Mrs. Hank Rutberg, Mrs. James Chapman, Mrs. Howard Spaeth and Mrs. Nelsie Robertson as a committee in

Dedicate Champion Branch Chapel of L.D.S. Church

Dedication services for the Champion Branch Chapel of the Church of Jesus Christ of Latter Day Saints were conducted Sunday evening, Nov. 22 with Elder Hugh B. Brown, assistant to the Council of Twelve Apostles, Salt Lake City, presiding.

The chapel, attractively set with cermatons and spray mums, was filled to capacity with members, friends and visiting members from Lethbridge, Claresholm, Cardston, Taylorville, Vulcan, Barons.

The services opened with the congregation singing "We Thank Thee O God for a Prophet." Invocation, Elder James Ellis. "Bless this House" was fittingly sung as a double duet by Zina Smith, Rhoda Minty, Mary Carlson and Doreen Smith. As Branch president, Elder Fred Puzey voiced the joy and gratitude of the saints here with the completion of the chapel. He expressed thanks for the sacrifice of time, means and effort of the members; for the assistance and co-operation of friends and business firms of the village. Tributes were paid to former branch presidents, Orvil Smith and Morgan Smith who had planned and worked for the day when a Chapel would be built in the Champion district.

Elder Fred M. Smith presented a history of the activities of the members of the church in this district since the early 1900's when a Sunday School was organized here and recalled the growth and progress made since that time. Mrs. Evaline (Grandma) Smith, one of those early members, was in attendance at the dedication. Former Stake President Octave

W. Ursenbach with his counselors Francis C. Russell and Reed C. Ellison, all of Lethbridge, expressed their joy and satisfaction with the completion of the chapel under their direction, and paid tribute to the members in Champion for their faith, integrity and work accomplished.

A piano solo, Meditation was beautifully played by Rita Smith.

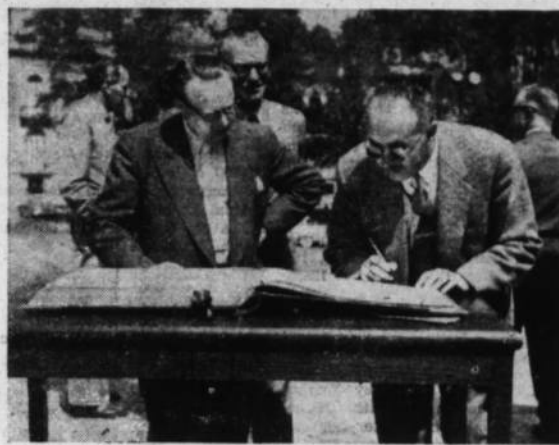

President Grant G. Woolfe of the Lethbridge Stake expressed his appreciation at being present and reviewed the benefits and activities which the Auxiliary Organizations of the Branch would receive through the building.

The congregation then sang "This House We Dedicate to Thee."

Elder Hugh B. Brown, first president of the Lethbridge Stake, now an assistant to the Council of Twelve Apostles, from Salt Lake City, spoke in his forceful, masterful way of the work of the church, the benefits of a clean life, the joy of service to God and fellow man, of the purpose of this life and the message of truth which the Church of Jesus Christ has for the world and then offered the Dedication Prayer.

The services concluded with the hymn "Come, Come Ye Saints," with Emma S. Smith as organist and Hannah T. Puzey as chorist.

The total cost of the chapel including furnishings is \$21,000 and is completely paid for.

Mexico-Canadian relations were further cemented when members of Trans-Canada Air Lines pre-inaugural flight party laid wreaths at the Mexican Column of Independence in Mexico City. Here are shown three prominent Canadians signing the Honor Guest Book of the city following the ceremony. Left to right are Robert Needham, President of the Ottawa

Parliamentary Press Gallery, Donald Wallace, Executive Assistant to the Hon. Paul Martin and William Telfer representing the Canadian Weekly Newspaper Association who is signing on behalf of his organization. The pre-inaugural flight precluded regular service between Montreal, Toronto and Mexico City which it is expected will begin shortly. (TCA Photo)

District Residents Since 1906

Pioneer Champion Couple Mark 50th Anniversary

Open house was held at the home of Mr. and Mrs. Adam Ferguson, 16 miles northeast of town on the occasion of their 50th wedding anniversary celebrations. The rooms were decorated specially.

Mrs. Ferguson carried a hand-tatted handkerchief, made by her mother more than 40 years ago.

Those sharing pouring honors during the afternoon and evening were Mrs. Peter Patterson, Mrs. Manly Matlock, Mrs. Pat Larkins, Mrs. Margaret Sanderson, Mrs. Hugo Geschwendt, Mrs. Otto Hagg, Mrs. Albert Siler, Mrs. Duane Chamberlain, Mrs. Glen Farmer and Mrs. William White.

Servitors were Mrs. Joe Fath, Mrs. Esther Ferguson, Mrs. William Racher, Mrs. Victor Ferguson, Mrs. Henry Ferguson and Mrs. Ernest Rhodes.

Miss Margaret Carlson was in charge of the guest book, which was signed by nearly 300 guests, present from many points in the province and the United States.

Mr. and Mrs. Ferguson were married Nov. 18, 1903 at Walsh, Minn., North Dakota, later moving to Oslo, Minnesota, where they resided until coming to the Champion district in 1906. They took up a homestead and still reside on that same site.

Mr. Ferguson continues to do his own farming. At the time of their arrival the district was mostly prairie and sparsely settled, but the latch string was always out at "Ferguson" and it has remained that way throughout the years. Their hospitality is known far and wide.

Mr. and Mrs. Ferguson, 74 and 72 respectively, have always been active in community work when there is any project afoot for the betterment of the community.

The ring bearer at the nuptials, 50 years ago, Mrs. Peter Mallinger of Oslo, Minnesota, a younger sister of Mrs. Ferguson's was present for the celebration.

Members of the immediate family are two sons, Victor and Henry of Champion; two daughters, Mrs. Joe Fath of Champion and Mrs. Esther Ferguson of Lethbridge. There are five grandchildren and three great-grandchildren all of Champion.

Mr. and Mrs. Ferguson are members of the Cleverville Pioneer Club and the Amity Club. Mrs. Ferguson is a long-time member of Champion Chapter OES and the Women's Institute. Mr. Ferguson is a member of Champion Lodge AF and AM. The couple exchanged Masonic and Eastern Star rings as mementoes of the occasion.

Martin Matlock made the presentation of a combination radio on behalf of the community, with best wishes for continued health and happiness. The family presented their parents with a pair of chairs. Many more gifts were received, among which are an electric lamp from OES members, and vase from the Amity Club. Many congratulatory telegrams from friends far away and long distance calls were received by the honored couple.

Among those present from a distance were Mrs. Peter Mallinger and George Robinson of Oslo, Minnesota, sister and brother of Mrs. Ferguson; and another sister

Senior Citizens Honored By Local Lionettes Club

Some 150 "Senior Citizens" of Vulcan and district were honored guests of the Vulcan Lionettes Club Friday evening, in the IOOF hall.

All Senior Citizens, who had attained the age of 65 years, their husbands or wives, were eligible to enjoy this unique evening's program of the ladies' club, organized last spring. The Lionettes, who, like the Lions are organized for community service, decided they wished to pay tribute to the men and women, many of whom helped to settle this district, thus the idea of an occasion especially for them was born. The variety of entertainment showed the ingenuity and planning that went into the undertaking. No detail that could add to the pleasure of the guests was overlooked.

Mrs. Stan Seales, president of the club, welcomed each lady and gentleman upon their arrival, and each feminine guest was presented with a carnation corsage, while the men each received a cigar. A Guest Book was signed by each visitor.

The Lions colors of purple and gold were used most effectively throughout the hall.

Free taxi service was also provided for anyone who needed it. A delicious turkey dinner, with all the trimmings, was served to get the evening's program off to a good start.

Stan Seales as International Councillor and Earl Erickson, president of the Lions Club, brought greetings and expressed their pleasure in such a fine turnout.

A toast to the ladies was proposed by E. G. McPherson and one to the gentlemen by Mrs. Errett King.

Speakers were introduced by Lionette vice-president, Mrs. Boyd McKay. Mayor W. D. Allan gave a short history of the town, recalling many interesting points and commenting on the fact that three of the original town councillors were still resident here, with two present on this occasion.

Hector Galbraith, 75, formerly of Vulcan, but now making his home in Calgary, reminisced on the pioneer days of Little Bow Constituency, and in remarking on the recent presentation to himself of the Coronation Medal, paid tribute to the Vulcan district in that he felt his long association with the Department of Agriculture had been a factor in his receiving this honor. His further theme "Appreciation," was much enjoyed. He urged all to spend their time as wisely as they would their money. Time like money can be used to provide for our declining years, used to make lasting friendships, to accomplish worthwhile things and to assure independence. Mr. Galbraith was presented with a small gift in appreciation of his splendid talk.

Many guests were then called upon to recall old times in incidents and stories of the early days.

Miss Nettie Ware presented two very fine readings, which were enjoyed by all.

Tap dance numbers by the Richardson sisters and by Leslie Lucas were cleverly executed and enjoyed. These were followed by impromptu barber-shop quartet selections by 12 of the Lions present, which were greatly appreciated.

Are Honored At Farewell Parties

During the past week, several farewell parties have been held in honor of Vulcan residents who are moving to Calgary.

Mrs. John Mitchell was hostess recently at a bridge party honoring Mrs. D. Nicol and Saturday evening Mrs. J. M. Jamison also entertained at a bridge party in honor of Mrs. Nicol. On both occasions Mrs. Nicol received remembrance gifts from her Vulcan friends.

On Thursday evening of last week, Mrs. J. Metcalf entertained the members of her bridge club, when Mrs. Nicol and Mrs. P. A. Thomson, both members of the club, were the guests of honor and were each presented with a gift from the members of the club.

Saturday evening, in the Armories, Dr. Dave Nicol was honored by a gathering of some 75 of his friends and was presented with a set of luggage.

Mr. and Mrs. P. A. Thomson were guests of honor at a party held Monday evening of this week at the home of Mr. and Mrs. W. M. Giles and were presented with an occasional table as a remembrance of their stay in Vulcan. Wednesday evening, at the Boyd McKay home, a stag party of some 25 of his friends honored P. A. (Pat) Thomson and he was presented with a pair of binoculars in appreciation of his work with various organizations in the community.

Mrs. W. S. Hill, Mrs. Bob Todd, Mrs. O. A. Craig and Mrs. Viola Brown, also with impromptu numbers, proved highly entertaining.

"Put on Your Old Grey Bonnet" was the appropriate selection of a vocal trio consisting of Mrs. H. Matlock, Mrs. Merv. McIntyre and Mrs. Dick Anderson, with the ladies fitting their actions to the words.

A sing-song period led by Mrs. Matlock and accompanied by Mrs. Keith Elder was participated in by all. Mrs. Seales as M.C. proved herself a gracious and capable hostess.

At the conclusion of the program the party moved upstairs, where a Grand March was held and eliminations took place. Prizes were presented as follows: to Mrs. M. L. Clarkson and Mr. Greg. Fath, whose birthdays fell on the date of this party; to Nels Peterson, 91, the eldest gentleman present; to Mrs. Joyce Carruthers, 89, the eldest lady present; to Herman Hungerbuhler, who had resided the longest time in the district, coming here 50 years ago; to Mrs. Lucy Schuler for having the greatest number of great-grandchildren; to Mrs. Viola Brown, for having the most grandchildren; to Mr. and Mrs. B. Lommatsch for being the longest married couple (54 years) present and to Mr. and Mrs. Verne Peterson, who won the Old Time Waltzing competition.

Concluding the evening Mayor Allan thanked the Lionettes for a splendid evening's entertainment and all joined hands to sing "For They Are Jolly Good Fellows."

Sheep Are Good Investment Says Brown McDonald

(From the Lethbridge Herald, by Dick Beamish, Herald Staff Writer.)

TORONTO — Brown H. A. McDonald of Vulcan sat back on his bunk near the sheep barns at the Toronto Royal fair.

"I'm just as pleased for Alberta as I am for myself that my son Hartley and I are taking back the ribbons," Mr. MacDonald said. The lean Scotsman and his son won both the Hampshire and Suffolk ram championships and followed these up with the reserve in Suffolk together with a number of other ribbons.

"I'd like to see more western stockmen and grain men come here for the Royal," Mr. MacDonald said. "It's a far better vacation than any trip to California, very educational and interesting. The hospitality of the fair people

is just wonderful," he said.

Mr. MacDonald has sold his champion Suffolk ram to a Pennsylvania breeder for \$500 and four other animals to U.S. and Ontario men. Breeders in eastern Canada and the United States always are looking for good quality sheep, he said and conversations with them had led him to believe good ewes are a smart investment.

The Vulcan man is planning to take most of his 18 show animals back to continue building his flock. Competition was keenest this year of the three previous times he has shown, he said.

For the western grain farmer, Mr. MacDonald had a word of advice. There is good money in sheep, he said, and farmers would be wise to have a few to run on the stubble after the combine. These could go off fat at very little cost.

Highway adjacent to the Village of

Authorization was also given to

COUNTY COUNCIL MEETING
At the County Council meeting
held on Friday, Nov. 13, Jack
Deitz was re-appointed Deputy
Chairman for the ensuing term.

A motion was passed setting the
date for the annual meeting in
1954. The meeting will be held on
Saturday, Feb. 20, 1954 at 1:00
o'clock in the afternoon, in the
Auditorium of the New Vulcan
High School if the building is re-
ady at that time to conduct a meet-
ing. If the building is not ready,
the meeting is to be held in the
Oddfellows' Hall, Vulcan.

Nominations for Councillors for
1954 will be received from 3:00 to
4:00 o'clock at the same time and
place. Mr. Bruce Alder of Champ-
ion was appointed Returning Offi-
cer to conduct the 1954 elections.

Grants

The Council passed grants in the
following amounts: Salvation Ar-
my \$500; \$200 Canadian National
Institute for the Blind; \$200 for
the Canadian Junior Red Cross
Hospital; and \$25 to the Canadian
Forestry Association.

By-Law No. 57 of the County to
authorize the closing of section of
road allowance between Section 5-
14-24-4 and 32-13-24-4 was read a
first time, with instructions to
place the usual advertisement in
the Vulcan Advocate.

The Secretary-Treasurer read a
letter from J. M. Jamison of Vul-
can in respect to the matter of the
Liberty Community Association.

The letter drew attention to the
fact that the County of Vulcan No. 2
had removed the playground
equipment consisting of swings
from the Liberty School to the
Milo School, and that the Liberty
Community Association which had
bought the school and site for the
sum of \$200 from the County com-
plained about the removal of the
playground equipment and insist-
ed that the Community Association
had acquired all the equipment as
well as the building in the pur-
chase. The Secretary-Treasurer
was instructed to reply to the let-
ter and state that the council in
disposing of the schools had al-
ways reserved equipment and fur-
niture when making a sale and it
was felt that in the case of the
Liberty School this reservation
was more or less taken for granted.

Councillors pointed out the fact
that in other school sales, the re-
servation of playground equipment
had been made and this type of
equipment had been removed to
the Milo School from Queenstown
which had been sold, from East
Majorville which also had been
sold, and the Pioneer School. The
Councillors felt that the Com-
munity Association should not in-
sist in having the equipment re-
turned.

Councillors dealt with the mat-
ter of the claims of Edward Auld
and William Auld of Brant, asking
for damages to their farm lands
on account of detours which were

being made through their property
and decided that the County was
not responsible. Edward Auld claim-
ed the sum of \$200 and William
Auld the sum of \$570. In declining
the accounts, the Council was of
the opinion that the County was
not bound to provide a detour ar-
ound the water which had covered
the road and that the owners of
the land had full power to prevent
any trespassing.

Council decided to move the
teacherage at the Harmony School
into Champion for use as a resi-
dence for the patrol operator.

Mr. and Mrs. T. Roberts of Monarch were weekend visitors at the home of Mr. and Mrs. Gordon Davey.

Jim Cary of Midnapore was an over night guest at the home of Mr. and Mrs. A. E. Howerton on Monday. Jim renewed acquaintances with folks he hadn't seen since 1914. At that time his home was in this district, but since then he has had a colorful career, having travelled with rodeos in the USA and Canada for several years as trick roper and bronc rider. He homesteaded in the Peace River Block, worked in the Turner Valley Oilfields and now he is manager of the Fred Scott ranch at Midnapore.

Fifty relatives from Champion, Staveland, Lomond and Calgary met at the Mountain Peak School for a turkey dinner to celebrate Mr. and Mrs. J. C. Little's Silver Wedding, November 14th.

Mrs. Ernie Nowlin was a patient in the Carmangay Hospital last week, undergoing a tonsilectomy.

Lorne Arnold was a patient in the Carmangay hospital for several days suffering from a leg injury.

Mr. and Mrs. Charles Rozander have returned from a holiday spent with relatives in New Brunswick.

The Champion Library Association held a meeting in the Town Office Monday evening, Nov. 16, with six board members present. It was decided to hire Mr. Stephen son to move the library building from the school yard to the lot directly south of the Town Office. It will face the Miller & Matlock Service Station. It is to be hoped the adult readers of the town and district will find it more convenient to borrow books from the library when it is located down town.

The County of Vulcan have moved the Harmony Teacherage in town and placed it on the lot west of Mr. Gunderson's dwelling. Vic Ferguson, the County Road Patrol Operator, and his family will occupy this house.

Mr. and Mrs. Jake Fritzler were dinner hosts on Sunday on the occasion of their son Marvin's tenth birthday anniversary.

Franklin Cool and Fred Sellars left last week by motor to spend the winter months holidaying at several points south of the border.

Mr. and Mrs. Martin Matlock and family were Sunday visitors at the home of Mr. and Mrs. Harry Stout of Okotoks. They were accompanied by Mrs. Jane Matlock who will visit at the Stout home several days before returning to her home in Black Diamond.

The W.A. Bazaar held in the basement of the Community Hall on Saturday afternoon was very well attended by ladies of the town and district, as well as several from Carmangay and Vulcan.

The produce table which consisted of home made pies, cakes, cookies, butter and bread, cream and eggs was a very popular spot. A beautiful collection of aprons was offered as well as pillow cases and other handwork the girls had turned out under the guidance of Mrs. Les Christensen. The copper pictures on display showed unusual skill, as well as the novelty change purses and book marks. The fish pond was as usual very popular with the little folks, and they came forth with worthwhile toys, ornaments, etc. Tea was served at daintily set card tables, set for four, and later in the evening at the close of the Saturday night movie.

Mr. and Mrs. D. G. Stewart and small son Gary have returned to their home in Lethbridge after spending the past two weeks with Mrs. Stewart's parents, Mr. and Mrs. Cliff Miller.

Mr. and Mrs. Dewey Greenlee spent a few days visiting at Cayley, guests at the home of Mr. Greenlee's uncle and aunt.

Douglas Smith was a patient in the Carmangay hospital this week, suffering from the 'flu.

Mr. McDonald of the Champion teaching staff, spent a short holiday in Winnipeg last week.

The Curling Rink, under supervision of Mr. Baxter has made fine progress during the past week. The aluminum sheathing which is used to finish the outside is the present project, and the volunteer help has responded wonderfully.

CARD OF THANKS

We wish to extend a very sincere and heartfelt "Thank You" to all who contributed in any way to make our Golden Wedding day such a joyous one. The beautiful gifts received from the Community, Family, Organizations and individuals will be treasured through out the years.

To all who called at our home to extend felicitations again we repeat Thank You one and all.

—Mr. and Mrs. Adam Ferguson, Champion.

Boyd had an enjoyable trip to relations at Edmonton during Teachers' Convention and the weekend, visiting at the homes of Mr. and Mrs. Ernest Stonehouse, Mr. and Mrs. Bob Blackwood and Barbara, and Mrs. Boyd's aunt whom she had not seen since a small girl. Coming home they travelled by way of Stettler where they visited Mr. and Mrs. Harry Repp and family.

The Pot Luck Supper in aid of the Armada Memorial Hall held in the hall basement Saturday night was very successful with nearly every family in the district and a few from Lomond turning out to enjoy a feast of scalloped potatoes, baked beans, meat of every description, fruit and vegetable salads galore and all the fancy trimmings found on any such occasion.

Following the supper, the Bingo table was filled to capacity and was still going strong at 10:30. Oh yes, we must not forget the fish pond for the small fry where every youngster in the hall lined up for his turn on an actual rod and reel. Once his turn was over, he immediately returned to the end of the line again for another chance.

The dog ornament which was raffled to raise funds for an oil-burner was won by Mrs. W. Brotherhood who was also lucky winner of the wrist watch at the Official Opening Dance.

MAJORVILLE

That red face your correspondent is wearing these days is just embarrassment from the punches

of fun being tossed this way owing to the error in the Advocate last week re the date of the Lutheran Aid bazaar and tea. When the error was discovered it was too late to be corrected, so if anyone suffered inconvenience from it please accept a "So Sorry" and it won't happen again, we hope.

It is with regret we report Gordon Boyd was taken to Isolation hospital in Calgary, a victim of polio. At the time of writing just how severe the attack is isn't known. Everyone wishes Gordie a speedy and complete recovery. He is Mr. and Mrs. H. Winch's son-in-law.

Jam packed could be used to describe the farewell dance held in Liberty on Friday last. Everyone seemed to be there from infants who slept on the benches all evening to grandmama and grandpapa. It was a very enjoyable affair and from all reports the oldsters enjoyed it better than the youngsters as the music was of the old time variety. Sam Gailley, who is a dance floor manager from away back and hasn't had much practice in recent years was there and in spite of his three score and ten years did an excellent job of square dance calling. The music was by Jack Shield, Harvey Godlin and Bill Shield. Ivan Winch presented a purse to Mr. and Mrs. Burton Hingley who are leaving shortly to take up farming in the Champion district. The best wishes of all go to the young couple in their new home.

Before the dance a meeting of the Liberty Community Club was held and not too many turned out for it was decided to look into the buying of a piano for the clubhouse and Bob Scott is going to investigate a couple of buys brought to his attention. The repair committee has been asked to take stock of what repairs are necessary and to get supplies to execute them, then gather the members together for a repair bee, maybe two.

Mr. and Mrs. Lewis Greaves were visitors to Hartell last week where they visited with the latter's sister, Mrs. Dee Scott and family.

Jack Sutherland, Mrs. Bill Beckner, Mrs. M. Monner and Mrs. Sutherland went to Calgary last Wednesday to see the show "The Robe."

Old friends will be sorry to learn that Geo. Greaves has had to return to the General Hospital. Doctors don't seem to know what the trouble is and Geo. is having X-rays taken to try to find out.

Mrs. Bartsch and family paid a visit to the dentist in Bassano on Saturday.

Mrs. H. Northcott was hostess for the November meeting of the FWUA. A good turn out of members answered the roll call. What teacher made the greatest impression on my life. At least two familiar names were heard, Mr. Culley and Mr. Allergoth, both former high school teachers in Milo. One member said school days were so far behind her she'd forgotten. At the meeting \$5 was voted towards the TB Christmas seal campaign. Mrs. Dew reported \$200 from the chicken supper. The principal business was electing a delegate to attend the convention in Edmonton in December. Mrs. Bartsch will go as delegate and Mrs. H. Winch as a visitor.

Other business included election of officers. Mrs. J. Papp will be president for the coming year, Mrs. H. Winch, vice-president; Mrs. C. Umschied, secretary-treasurer; Directors are Mrs. M. Clemmons, Mrs. M. Monner, Mrs. A. Godkin, Mrs. Sutherland and Mrs. A. Osler. Mrs. Bob Monner won the raffle. With the assistance of other members Mrs. Northcott served a delicious lunch.

Mrs. Ross Bertrand will entertain the next meeting and as a special feature there will be cookie swap so if you plan to attend the meeting bake and take along a batch or two of your nicest Christmas cookies and exchange them for some of your neighbor's. There will also be the annual exchange of Christmas gifts.

As you all know now the Lutheran Aid bazaar and tea will be Nov. 28 at 3 p.m. and the next meeting will be at Mrs. Morseth's with a Christmas pie gift exchange a feature of the meeting.

District News**BRANT**

A meeting of the Catholic Women's League was held at the home of Mrs. H. Emmelkamp on Thursday, Nov. 19 with eight members and one visitor present. After the routine opening, correspondence was read. A lengthy but interesting report from the annual convention, plans were made to clean the church on our regular meeting date on Dec. 17, and hold a short visiting meeting following the cleaning. It was moved that the secretary forward the money for the fire insurance on the church.

Members approved plans to take up the dandelion course. Mrs. L. Shaw elected to be in charge of it. Members asked that the committee on planning church heating call a meeting again when they had further information. Following the business meeting, Mrs. Gallagher introduced the guest speaker, Mrs. Leitch of High River, who gave a most interesting talk about a retreat at Mount Frances. Her enthusiasm inspired the members to make plans to attend their next meeting in December if possible. A tasty lunch was then enjoyed by all. Mrs. C. Rhodes won the hostess gift.

A number of Brant curlers are curling in High River this week. Mrs. Poyce from Calgary is visiting for a few days with Mr. and Mrs. Fred Poyce and family.

Miss Alberta Prusky from Red Deer is home for the weekend visiting her mother, Mrs. M. Prusky.

Parents Association meeting of Scouts, Brownies and Cubs met in the Community Hall last week and was fairly well attended. The president, J. Rhodes opened the meeting. The report and minutes of last meeting were given by R. Kennedy. Mrs. B. Ball, district commissioner gave a most interesting report. C. Rhodes, Boy Scout leader for the past year, it is understood he is willing to continue needs an assistant. Gordie Thompson was appointed leader of the

Cubs and appointed as his assistant was Bob Sellars. Mrs. Gallagher was appointed leader of the Brownies.

The Curling Club Turkey shoot was well attended and a great success. One of the biggest events Brant has had. The club disposed of 80 turkeys, 10 hams, 10 lbs. of chocolates.

The Chicken Supper sponsored by the Brant community was well attended and a great success.

The Birthday club met at the home of Mrs. Prater on Thursday evening to help celebrate her birthday. The evening was spent playing cards and the games were very amusing. A delicious lunch was served. The servitors were Mrs. D. Baskin, Mrs. B. Sellars and Mrs. Jack Thompson, making the birthday cake.

The Ladies Aid will meet at the home of Mrs. J. Rhodes Wednesday afternoon, Dec. 2.

The Home and School Association will meet in the Brant school Wednesday evening, Dec. 2.

Mr. and Mrs. H. Emmelkamp and family spent a few days visiting in Great Falls.

Mr. and Mrs. E. Bateman and family spent a few days visiting in Great Falls. They also called at Lethbridge to visit Mr. Bateman's sister and family, Mrs. Friend.

G. Hamilton is a patient in the Vulcan hospital.

Mr. and Mrs. Wm. Knapp and family spent a few days visiting the former's parents, Mr. and Mrs. Knapp of Coaldale and Mrs. Knapp's sister, Mrs. Friend in Lethbridge.

The square dance club held in the Brant hall Friday evening, Nov. 20 was fairly well attended, with a number of square dance visitors from High River. Mr. Sparks from High River was official caller for the evening with several assisting from High River.

During the intermission, B. Ball, president for the past year, called a meeting for election of new officers. B. Ball nominated Wm. Burley as acting chairman for the meeting. Assisting him was Jack

Ball as secretary. New officers for the coming year are L. Shaw, president, S. Graham, secretary, executive, G. Ferguson, Pat Gallagher and O. Jorstad. It was decided that each member would pay a membership of \$2.50, entitles them to five dances. Next dance will be held next Friday, Nov. 27.

Only three-quarters of a mile up into the hills from COCHRANE, Alberta... a ranch of strange contrasts crowns a hilltop overlooking the Rockies beyond. In the yard on one hand stands a castle-like mansion of stone, dating from days of the early west. On the other... a white Spanish-style house with red tile roof and bell tower.

The original house was built around 1905 for a rancher named Fisher.

then bought by Mr. Tweedle, a Commissioner of Calgary... and finally owned by Mr. Harry MacConnachie, it was the famous "Just Home Ranch", visited by such celebrities as the Duke of Windsor, when he was Prince of Wales.

To-day this is the "Retreat House of the Rockies". Mount St. Francis. The Franciscan Order welcomes everyone here, regardless of race, color, class or creed... to spend "fifty golden hours" of silence and contemplation in retreats which began in 1949 and rose to as many as 55 this year.

Listen to "OUR HERITAGE" featuring JOHN FISHER over the following ALBERTA Stations:

Wednesday:
CHAT 7:30 p.m.
CFAC 8:30 p.m.
Thursday:
CJCA 10:15 p.m.
CKRD 9:00 p.m.
Friday:

This week you will hear "Paliser Bites the Dust" the story of how the prairies changed from a dust bowl to the breadbasket of the nation.

This statue of St. Francis, "the poor man's saint", stands imposingly in a corner of Mount St. Francis yard looking silently over the valley to the Rockies beyond.
